THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the reference, copy enclosed, which may qualify as prior art. For the Examiner's convenience, the reference is listed on the attached form prepared by Applicants; this form is generally based on Patent and Trademark Office form PTO/SB/08a, but is not a USPTO form. A copy of one non-patent literature document is enclosed herewith.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of any accompanying form, whether such form is generated by Applicant or is a USPTO form, is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that this submission requires a fee of \$180.00 under C.F.R. 1.97(c)(2), which is being paid electronically in conjunction with this EFS submission. If this is not correct, or if problems are encountered using the EFS system, please charge any deficiency or refund any difference to deposit account no. 07-1969

Respectfully submitted,

Stephen B. Barone
